

Software Developer

for OCTOPUS Property Management System - Gråsten, Denmark

About OCTOPUS

[OCTOPUS](#) is developed by Danish phone solution provider [ipnordic A/S](#), who is known for its high and quick level of service and support - together with the ongoing development of intelligent and customized software. In 2015, the phone company bought the former city hall of Gråsten and converted it to a hotel and restaurant. Here, the idea of a new complete hotel system - to make it easier and cheaper to run a hotel business - was born. Today, the unique and user-friendly *OCTOPUS booking- and management software* is used by more than 120 Danish hotels and restaurants - ready to enter the international market in the near future.

Happy customers is our livelihood - this is why we always deliver top of the class software solutions. We are looking for a software developer, who will help us achieve this, by developing back/front-end systems at our Danish headquarters in Gråsten.

About the job

As a software developer at OCTOPUS, you will be part of a strong team of 20 software developers, who work with integration, VoIP platform and various user software, such as ERP system, switchboard and booking software. Your tasks will include:

- Developing new functions and apps for the .NET platform in C#
- Failure analysis in test environments and Pre-prod
- Preparation of unit tests

Your profile

You have a strong professional profile as an educated software developer or computer scientist. It is essential that you are experienced in developing .NET/C# and have experience with SQL, HTML5 and preferable angular. You take pride in professional coding and quality assurance. You are passionate about optimizing processes, so that customer expectations and needs are fulfilled.

What we can offer you

You will be part of an ambitious and dynamic company, who delivers intelligent software for individual needs. An exciting and instructive job in a young team with more than 100 passionate colleagues. We have an informal and direct way of relating to each other, and a good social environment.

You will be given the opportunity to develop your own skills working with your colleagues in an exciting and challenging workday with flexible working hours, enabling you to create a good balance in your work-life.

Your base will be at our headquarters in Gråsten, where you will work in close relation with colleagues from both Denmark and Turkey.

Want to know more?

If you want to know more about the job, please contact HR manager, Betina Hoeck, phone +45 89 10 12 77.

If you want to apply, please send your resumé and motivated application to: job@octopuspms.com

Applications will be processed as they come in, and the position will be filled when the right candidate is found.
